

JAMSHID NAZEMI

EMAIL: EMAIL@JNAZEMI.COM

PERSONAL SPECIFICATION

Born on 1962 Tehran

JOB TITLES

2001- Science & research campus, azad university Tehran
Assistant professor, industrial Management Department

2001- SAIPA Automotive Corporation Tehran
VP, SAIPA Corporate Development & Strategic Planning

1996- 2001 Supplier of Auto. Parts (SAPCO) Tehran
Director, Systems & Computer

1995-1996 Mehvar Machine co Tehran
Deputy, Managing Director

1993-1995 Almasdaran Co. Tehran
Director, Planning & research

1991-1993 Gerami Business Group Tehran
Director, Planning & Executive committee

1990-1991 Tarh & behbood Consulting Co. Tehran
chief engineer - Project management dept.

1986- 1990 Nour China Co. Tehran
Shop floor manager ,Deputy Plant manager

EDUCATION

1974-1978 Kharazmi High school Iran, Tehran

- Higher Diploma , Mathematics & Physics

1980-1986 Sharif university of technology Iran, Tehran

- B.Sc., Industrial Engineering.

1986-1989 Sharif university of technology Iran, Tehran

- M.Sc., Industrial Engineering.

1999- 2005 AZAD University of Iran Iran, Tehran

- Ph.D., Industrial Engineering

Other Related Licences

- | | | |
|--|------------------------------------|--------------|
| 1996–1996 | Institute of Industrial Management | Iran, Tehran |
| ■ Lead auditor in ISO9000,IRCA | | |
| 1998–1998 | Asian productivity organisation | India, Delhi |
| ■ Advanced productivity/TQM specialist | | |

CONSULTANCY EXPERIENCES

- | | | |
|---|--|--------|
| 1989–1990 | Tarh o behbood , agro industrial sugare cane , | Tehran |
| <i>Project Management</i> | | |
| 1990–1992 | Golestan, Packaging company | Tehran |
| <i>Planning & logistics</i> | | |
| 1991–1993 | Assan Motor Co., Hyundai car sales | Tehran |
| <i>sales & after sales system</i> | | |
| 1993–1997 | Supplier of Auto. Parts(SAPCO) | Tehran |
| <i>Continuos improvement & productivity</i> | | |
| 1995–1997 | Niro Mohereke(NMI),motor cycle plant | Tehran |
| <i>System integration, Software development</i> | | |
| 1997–1999 | Octiran Co., office decoration | Tehran |
| <i>Strategic planning, quality management</i> | | |
| 2001–2004 | IDRO, Industrial Development Holding | Tehran |
| <i>Business Process Reengineering</i> | | |

EXPERIENCE

- ↖ Shop floor manager, plant Installation of Nour Co.
- ↖ Project management, Plant fabrication process, Nour Co.
- ↖ Production & material planning , Nour Co.
- ↖ Quality management, Nour Co.
- ↖ Project management specialist , Large Agro-industrial complex
- ↖ System Analyst , distribution & sales, Golestan tea Co.
- ↖ Planning manager, after sales service, Hyundai automotive, Iran
- ↖ Information system & planning manager ,Mitsubishi Motors , Iran
- ↖ Deputy managing director , after sales service, Komatsu
- ↖ Consultant on productivity & Continuous improvement, SAPCO
- ↖ Consultant on quality improvement project, 15 auto part suppliers
- ↖ Consultant on Strategic management, product development ,Octiran co.
- ↖ TQM project co-ordinator , Hoshin planning ,SAPCO
- ↖ Head of JIT pilot project, auto manufacturing., IKCO
- ↖ Project Manager : oracle based integrated information system , SAPCO
- ↖ Chief member, ERP selection & implementation committee, IKCO

- ◀ Consultant on Strategic management, Ezam auto manufacturing group
- ◀ TQM project co-ordinator , Hoshin planning ,Faravary & Sakht
- ◀ ERP project advisor, Saipa group, Rayan saipa co.

- ◀ TRAINING & TEACHING EXPERIENCE

- ◀ **Production/Quality Management**
 - ◀ Advanced Production & operation Management – Industrial Management Dept. , AZAD university
 - ◀ Production & operation Management , Industrial Management Dept. , AZAD university
 - ◀ Production & Qulaity Management , Industrial Management Dept. , AZAD university
 - ◀ Production & operation Management – Industrial Management & Finance Dept. , University of NIOC, Tehran
- ◀ **Quantitative management**
 - ◀ Operation research II - Industrial Management Dept. , AZAD university
 - ◀ Operation Research I - Industrial Management Dept. , AZAD university
 - ◀ Queuing Theory – Industrial Management Dept, Azad University
 - ◀ Decision theory – Industrial Engineering Dept, Azad University
- ◀ **Strategic / Technology Management**
 - ◀ Strategic Management – Industrial Management Dept. , AZAD university
 - ◀ Technology Management – Industrial Management Dept. , AZAD university
 - ◀ Industrial & System Dynamics - Industrial Engineering Dept. , AZAD university, Tehran
- ◀ **Information Technology**
 - ◀ Strategic Information system– Industrial Management Dept. , AZAD university
 - ◀ Decision support system, Industrial Management ,Azad University
- ◀ **Applied Management Issues / short courses**
 - ◀ Lectures on TQM & modern quality management
 - ◀ Lectures on Problem solving & Quality techniques
 - ◀ Lectures on Productivity & performance measurement
 - ◀ Lectures on management Information systems
 - ◀ Lectures on JIT & supply chain management,

BOOKS & ARTICLES

- ↖ Co-work with Professor Haji on book “queuing theory “,1988
- ↖ Barcode technology ,ELM-O-ELECTRONIC.,1994
- ↖ A survey on Barcode usage, COMPUTER ,1995
- ↖ Organisation Life cycle, SANAT KHODRO ,1997
- ↖ Statistical thinking for problem solving , SANAT KHODRO ,1997
- ↖ What is quality, SANAT KHODRO ,1997
- ↖ Power of suggestion & appropriate problem solving technique, SANAT KHODRO ,1997
- ↖ Purchasing on quality basis, SANAT KHODRO ,1998
- ↖ Tools & Techniques on quality improvement, SANAT KHODRO ,1998
- ↖ Learning organisation, SANAT KHODRO,1998
- ↖ Quality & JIT , SANAT KHODRO ,1998
- ↖ Teams & systems , SANAT KHODRO,1998
- ↖ A report on the Strategy of auto parts makers in Asia, SANAT KHODRO,1998
- ↖ Time management, SANAT KHODRO,1999
- ↖ TQM-from theory to practice, annual conference Industrial engineering 1998,tehran, SANAT KHODRO,1999
- ↖ TQM practice in Philips Japan, SANAT KHODRO,1999
- ↖ Process capability analysis, SANAT KHODRO,1999
- ↖ Hoshin planning, SANAT KHODRO,2000
- ↖ Kanban system, a practical view, SANAT KHODRO,2000
- ↖ Development of engineering structures & new product development in Iran industry, Economy & management, Azad journal on management ,2001
- ↖ Best practices on new product development, supply chain conference,2001
- ↖ Key factors effecting quality & delivery in auto parts industry, a DOE perspective, annual national conference on quality , 2002
- ↖ Yield management in manufacturing , A conceptual Model and propositions, Management of Knowledge, University of Tehran, Autumn, 2005
- ↖ Capacity Price tradeoff in Manufacturing, A Yield Management approach, Journal of industrial Engineering international, 2006
- ↖ Iran Automotive Demand forecast, International Marketing Management Conference Iran, ,2006
- ↖ Integrity of EFQM Model and its Link to Key performance results (case study: Iranian auto sector) , International MultiConference of Engineers and Computer Scientists ,IMECS, 2008 , to be presented March 2008

UNIVERSITY AND BASIC RESEARCHS

- A review on Travelling salesman problem for unbalanced tours
- Hierarchical production planning in porcelain industry, MSC. Thesis
- A heuristic generator model for pattern generation in round pattern Cutting stock problem
- A review on Box & Jenkins forecasting method
- Implementation of a workshop simulator package for industrial engineering department as a teaching assistant on production & inventory control courses
- SLAMII simulation modelling for continuous production processes
- A survey on Facility location problem

ACADEMIC ADVISORY

- Information Technology , Strategic Information planning
- Manufacturing Planning, Supply chain Management
- Strategic Management, Technology Management
- Quantitative / Scientific management

INTERESTS

- Quality Management: TQM, Hoshin management
- Strategic management : System Dynamics, Hoshin management
- Production & operation management: JIT , Lean production, Supply chain management
- Information Technology: system analysis & design, MIS, ERP
- Operations research: Decision theory & stochastic process
- Revenue management : Yield Management, demand modeling
